Engaged Campus Neighbourhoods

- place based
- shared goals
- community aspirations
• **Carlton Community** through residents, associations, networks, agencies, schools, government services & businesses

• **University-wide**: faculties and schools, services, facilities, staff and students

• **City of Melbourne**: councillors, 5 divisions, 25 branches and services
How does it work?

• Priorities – education, employment, safety, health
• Actions
  - Public participation
  - Community vision and plan

Harmony Day Celebrations
• Equity
• Education
• Research
• Civic Participation
• Resilience and wellbeing
• Sustainability
• Economic development - employment
Collaboration

• Being present in the community
• Listening
• Understanding the dynamics
• Providing one point of contact

Carlton Partnership Roundtable
