Project Officer

Students@Work Internship Program

Students@Work Internship Program was developed to strategically **leverage capability**, **specific skills** and **insights** of students by establishing a range of on-campus internships. The program highlights and recognises the mutual benefits that on campus work provides.

Students develop skills and work experience that enhances their employability as well as convenient, flexible on-campus employment.

The University accesses a bright and energetic workforce with invaluable knowledge and experience of the University, who can provide input into service design and delivery.

In 2023 S@W Internship Program placed 16th in AAGE Top 40 Intern Programs.

Student Peer Leader Network

The Student Peer Leader Network (SPLN) offers a variety of **peer-to-peer services** to support University of Melbourne students.

The Peers are recruited, trained and supervised by the Peer Programs staff to run sessions and support key service areas including:

- **Careers Drop-In Support & Advising**
- **LinkedIn Photobooth**
- **Melbourne Talks Program**
- **Interactive Workshops**
- **Project Work**

SPLN collaborates with programs across Student & Scholarly Services as well as student clubs/societies.
